Maltby & Company
P.O. Box 364
Stoughton, MA 02072

On March 25, 2010, your company did some work on trees and bushes in my yard.

When Christie Smith came to give me an estimate of the cost, she also gave me helpful advice and suggestions.

Richard Bailey and John Caulley (?) were courteous and pleasant, did a very professional job, and cleaned everything up afterwards.

Another very satisfied customer!
